

# WELCOME TO OUR NEW CHURCH HOME

Hope@Wasdell

Today, we commence an exciting new chapter in the life of Hope Community Church. This has been a wonderful journey that we believe God is blessing. Our prayer is that God will continue to bless our ministry in this new location as He has in the past. We look forward to enjoying these fine facilities, and to our association with the staff of The Wasdell Learning Centre.

Be sure to take a look around and notice that we have very good space for the children's ministry, ample storage, lovely chairs, and additional time for worship and fellowship. We look forward to each Sunday morning at 10:00 a.m. when we will meet for Celebration & Worship right here, just a short walk from the Hope Centre.

We have been profoundly welcomed by the staff of Wasdell. The dialogue over the preceding weeks has been wonderful, and the principal, Elizabeth Moxley-Paquette, has been cooperative and generous in meeting our needs and requests. She sends her warm and personal greeting to us: *"Please share with your wonderful congregation that we are so very happy to have a new extended family amongst us! Your support so far has been nothing short of extraordinary! Our most grateful thanks for all your help with repair and maintenance of the school facilities. We look forward to a long and rewarding relationship with you. Please make this your home and know that we are here to support you"*.

Come each week seeking God and seeing all that He has done for us. Be prepared to be a part of ensuring that each and every Sunday is a pleasant, joyful and inspiring for all as bring honour to God.
